# Video Jukebox

**Edge Entertainment** has the very latest in digital computerised Jukebox technology.

Our **TOUCHSCREEN VIDEO JUKEBOXES** have the greatest music selection available. We have hand-picked over 2000 of the very best songs from the Classics through to the latest Top 40. Our Jukeboxes are hassle free, there's no need to choose the music. It's all on our Jukeboxes and available to you and your guests instantly!

With our Jukeboxes you get only the best music when you want it without delay, delivering incredible sound quality, never heard from other traditional Jukeboxes.

Our Jukeboxes feature a 48cm LCD monitor for the video clips. Or get the 'BIG SCREEN', with our LCD Projector option.

***This Jukebox is guaranteed to impress!***

***Want KARAOKE? Ask us how!***
